Got her saying oh damn, got her saying "oh, fuck"
'Cause I'm hitting all those spots a nigga don't touch
No butts, you don't do shit
I told her baby don't trip just focus
Yeah, a young nigga stroke's so sick
I take it off then slide in then finna
Yup, a young nigga make a soldier
I study her body like it's homework
I told her ride me like a chauffeur
But she ain't know how, so I had to show her
There's no limit when I'm in it
How you want it, you gon' get it
And when I finish, I'ma lick it, lick it, lick it

I go so deep
