Hell Yeah

YG

She asked me if I wanted right there
I said: hell yeah!
Started kissing on my ear,
I said: hell yeah!
Then I told her like you know what,
We can do it in my rover,
You can get from the side,
Like the pistol in my holster,
She says she wanted it rough,
So I beat her up and I choked her,
Got that Dodge Ram dick,
Bitch I'll leave that pussy dented,
That pussy 'll probably end up dead before I finish,
She be all at my mouth like the dentist,
Then she started playing with my balls like tennis,
No ties, no soo, no booper, I give her the business,
I got her saying "that's my dick" like she had it rented,
Off my shit, you my bitch,
Now sit right here, and ride my dick.

She said daddy do you want some?
I said: hell yeah!
Do I want in the chair?
I said: hell yeah!
Do I want it in the kitchen?
I said: hell yeah!
Do I want it in the bed?
I said: hell yeah!
Lady, say hell yeah!
Lady, say hell yeah!

Open up your legs, your thighs
Let a nigga go peek inside,
Don't worry about where your car is,
I'ma get this dick to ride,
I know it's Christmas eve,
I'll fuck you under that tree,
Legs in the air that's yo gift from me,
Rick James super freak,
Grab your waist and now let me eat
Pipe game I'm a beast,
You can say that I'm that mvp.
Mp3, same song go on repeat,
Suck your bottom lip and now climb on top of me!
I'm hard as a rock while I beat your butt like a pinata.
Says she love young money so I let her taste my dollar,
We fell asleep, wet dreams,
Her fantasies woke me up and she said..

She said daddy do you want some?
I said: hell yeah!
Do I want in the chair?
I said: hell yeah!
Do I want it in the kitchen?
I said: hell yeah!
Do I want it in the bed?
I said: hell yeah!

Lady, say hell yeah!
Lady, say hell yeah!

She said: do you want it in the kitchen?
I say: hell yeah!
She said: right behind the dishes?
I say: hell yeah!
She said: do you want it on the floor?
I say: hell yeah!
She said: right behind the door?

She said daddy do you want some?
I said: hell yeah!
Do I want in the chair?
I said: hell yeah!
Do I want it in the kitchen?
I said: hell yeah!
Do I want it in the bed?
I said: hell yeah!
Lady, say hell yeah!
Lady, say hell yeah!
