

# Mando

YG

Had a lot of girls, but it's one I can't let go  
Guess I need that mando  
I need that mando  
Oh yeah  
Had a lot of girls, but there's one I can't let go  
Need that mando  
Need that mando  
Oh yeah

Aye, I need that, uh  
No fade necessary  
Be my valentine, like the 14th of February  
I'm a pimp, but there's something about her  
Treasure I cherish, I'm glad that I found her  
[?], be the beauty, I'm a beast  
When we done, we foreplay and smoke grass like [?], uh  
I'm her heart, so I beat like I'm supposed to  
Posted like a stamp and I'm finna go postal  
Rollercoaster, Imma eat ya like a vulture  
She gorgeous like a sculpture  
I'm a Star, getting Bucks, like a coffee, a Mocha  
She on me, her pussy wet like a super soaker  
Imma gun smoke her, she hot like a barol  
Sitting high on me like [?] on the [?]  
We right here chilling, that's my bitch straight up  
No lie I bang that, I'm a G just like a rack, aye

Had a lot of girls, but it's one I can't let go  
Guess I need that mando  
I need that mando  
Oh yeah  
Had a lot of girls, but there's one I can't let go  
Need that mando  
Need that mando  
Oh yeah

Yeah you know that I need that  
We broke up, but it's like we reinstated, cause we back  
Our love is like a true story, I believe that  
Her smile so bright, how you not see that?  
I got a lot of girls like I got a lot of money  
Got girls for every day of the week, Monday through Monday  
She ask me when I'm gon be faithful, I say someday  
So I guess today be that someday  
Every Sunday we go and eat ice cream sundaes  
I'm shooting game at her, she call it gunplay  
But she right here chilling with a younging living life like 2Pac  
Every day we thuggin'  
I be making bread, she be making muffins  
Even when it's not Halloween she my pumpkin  
Told her ride it out with me like bicycle handles  
If she ever leave me, Imma need backhand, though

Had a lot of girls, but it's one I can't let go  
Guess I need that mando  
I need that mando  
Oh yeah

Had a lot of girls, but there's one I can't let go  
Need that mando  
Need that mando  
Oh yeah

I need that, and I can never let you go  
See, I got a lil thing for you, gotta let you know  
Lil lady got me feeling on top of the world  
Lil lady got me feeling on top of the world  
I need that, I just thought I'd let you know  
[?] I never let her go  
I need that, I just gotta let you know  
[?] I never let her go

Had a lot of girls, but it's one I can't let go  
Guess I need that mando  
I need that mando  
Oh yeah  
Had a lot of girls, but there's one I can't let go  
Need that mando  
Need that mando  
Oh yeah
