

Perk 10

YG

(Quake)

I got a Perc' 10 on me right now, right now, right now, right now, right now

Bitch, I'm vibin', you can see it 'cause I bite down, bite down, bite down, bite down, bite down

I'm feelin' like the man, nigga, right now, right now, right now, right now, right now

Up the score, I'll take a nigga, wipe down, wipe down, wipe down, wipe down, wipe down

I got a hundred bands on me right now

Four in the mornin', suckin' dick, she a night owl

Keep talkin', we gon' see what that hype 'bout

Came in the game a lil' nigga, I got hype now

Skin itchlin' off fetty, you see the bite down

One day with me, I'm who she like now

Me and T-Raw runnin' this shit, it's a light mile

I just popped another Perc' 10 right now

Y'all niggas know the type of time I'm on

Don't come playin' with me, take your ass to Sky Zone

Y'all bitches know the type of vibe I'm on

Don't come layin' with me, tryna keep them thighs closed

Might crash, think I'm drivin' with my eyes closed

I do drugs 'cause it get me through my highs, lows

Demon time, in a whole 'nother time zone

Sick in the head, that's what I'm told

I got a Perc' 10 on me right now, right now, right now, right now, right now

Bitch, I'm vibin', you can see it 'cause I bite down, bite down, bite down, bite down, bite down

I'm feelin' like the man, nigga, right now, right now, right now, right now, right now

Up the score, I'll take a nigga, wipe down, wipe down, wipe down, wipe down, wipe down

Ayy, hand me the Oxy' right now, right now, right now, right now, right now

Yeah, and I'm high on a Cloud couch, nigga, I can't come down, come down, come down, come down

And I stunt like Evel Knievel (Evel Knievel)

Got your bitch doin' shit that's illegal (Shit that's illegal)

I'm the man in my city, tell that lil' bitch pipe down, pipe down, pipe down, pipe down

Gon' take another dose of this dope (Dope)

Got your bitch floatin' on it like a boat (Boat)

Bitches all on me like a coat (Coat)

Niggas wanna go to war, we ain't tuggin' rope

One eye open (Open), Interscope

I'm holdin' the money (The money) in a choke

All this cheese (All this cheese), artichoke

That's green, motherfucker (Ha)

I got a Perc' 10 on me right now, right now, right now, right now, right now (Yeah)

Bitch, I'm vibin', you can see it 'cause I bite down, bite down, bite down, bite down, bite down

I'm feelin' like the man, nigga, right now, right now, right now, right now, right now

Up the score, I'll take a nigga, wipe down, wipe down, wipe down, wipe down, wipe down
