

# Relax

YG

First off we gon do it like this just relax take it off  
Lay down on yo back just relax I'm a stroke  
Stroke yo body til it collapse just relax  
I got this girl, I got this girl  
I'm a take you to my world just relax  
Just listen to the beat and think of me just relax  
I'm a kill that pussy straight murder that shit  
And I'm a eat it eat it eat it then lick it til it slaps aye  
I'm a freak lil mama just call me daddy  
And I promise to God I'm a make you happy  
And she don't speak no spanish but she call me papi  
And I promise to God...

Girl when I lay yo body down you better relax. Girl when I hit  
it from the back. Just relax.  
Girl when you climb up on top (baby baby) ooh you know just try  
na relax.  
So slow down, slow down, slow down, slow down, slow down...

Oh oh Girl I swear if you put that pussy on me I'll lose my mut  
hafuckin mind  
I can't get my thoughts together and I'm lost up in there  
And I can't even remember my name until you scream it scream it  
scream it  
And when I eat it eat it eat it got you goin crazy crazy crazy  
Now you beggin for me to put it back in...  
I'm a freak lil mama just call me daddy  
And I promise to God that I'm a make you happy  
And she don't speak no spanish but she call me papi

Cuz when I lay that body down (girl when I lay yo body down) oo  
h you better relax (relax).  
When I hit it from the back just relax. Ooh.  
Girl when you climb up on top (baby baby) ooh you know just try  
na relax.  
So slow down, slow down, slow down, slow down, slow down...

Cus I'm a freak lil mama just call me daddy  
And I promise to God I'm a make you happy (aye)  
And she don't speak no spanish but she call me papi  
And I promise to God I'm a make you happy (aye)  
Just relax girl, Just relax girl. Stop trippin girl and just re  
lax aye.
