Oh, oh, oh, oh, oh, oh, oh
Yeah, yeah, yeah, yeah, yeah, yeah
Oh, oh, oh, oh, oh, oh, oh
Yeah, yeah, yeah, yeah, yeah, yeah

I hit it in the back of the Benzo
Won't play game with you, no Nintendo
I hit the G-spot, make a chick go
YG, 400, he a nympho
I like real ass with the dimples
She a proud lil' hottie, tell you "N-O"
I took it slow, I go gentle
Baby like it more when it's lit, though

I like when shawty get mental
Real freak, she a Sag', I'm a Scorpio
Wanna dip, wanna glide inside you
And she know I stretch out like Limo
And you know I got a fetish for them toes
And I'm in it right now, what you waitin' for?
So sweet like Cheerio
And you know whole lot of women watch my video

My AKA Lil' Daddy
Tattoo my name, you can have me
I got the steppers in the backseat
I'm a rapper, when I'm in it, I'm an athlete
I had you runnin' like a track meet
I had you givin' up the addy
I had you bustin' it, touchin' it, wobblein' it, lovin' it
Ooh, you nasty

Ayy, ayy, you been invited
Gangsta party, get excited, get some thottie
So erotic, can you ride it?
Body count, what's the mileage?
A1, draped up, Hennessy, red cup
Ass down, face up, that's the way she like it

Show your freaky side, from behind on all fours
Be my appetite, you make me want more
I know you like, joyridin' on me
Girl don't be shy, joyride on me, yeah, yeah

Ayy, I know you ain't finished yet
We need to move from the floor to the bed
Gotta back it up when I hear you say, ayy
Put my tongue between your legs
Baby, please excuse my hands
I wanna touch you everywhere, ayy
I'm a bachelor, lookin' for a partner
Keep makin' it easy, you gon' get me harder (Woo)
I do anything to swim in your water
Giving you them backstrokes
Girl, if you would show how things are now

Show your freaky side, from behind on all fours

Be my appetite, you make me want more
I know you like, joyridin' on me
Girl don't be shy, joyride on me, yeah, yeah

Oh, yeah
Hit it from the back, we slow dance
Hit it from the front, we hold hands
She get on top, she pole dance
We don't even kiss, no romance
We don't even date, we close friends
Hit it to some rap and some slow jams
Had her like "Damn, damn, damn"

Ass down
Hit it from the back, hit it from the front
Draped up, Hennessy, red cup
Hit it from the back (Back, back, back, back, back)
Hit it from the-
Ass down, face up, that's the way she like it

Show your freaky side, from behind on all fours
Be my appetite, you make me want more
I know you like, joyridin' on me
Girl don't be shy, joyride on me, yeah, yeah
