

She Bad

YG

She bad and she knows it (She got her Gucci bag she got her Gucci pumps pump s)

I know I ain't the first one that told her
And she a bad bitch so you know I have to tell her what's up
She bad she knows it (She got her Gucci bag she got her Gucci pumps)
Girl I just wanna know where you going
And she a bad bitch so you know I have to tell her what's up
After the club oooo
At the club a a after the club oooo

Look she know I toot it and boot it
But tonight I ain't even tryna do that
Like the bottom of my 501's I'm trying to cuff
She bad and she know it
The type that you wife up fuck her in the hotel room with the ights on
Ipod on shuffle playin a bunch of night songs she know I Play no games
She said she like fame but she don't date no lames
And she want me to fuck her like I fuck a hore
So I pull her hair like we playin tug o' war
And I ain't tryna to sound rude when I say this
She probly look better if I seen you but naked

She bad and she knows it (She got her Gucci bag she got her Gucci pumps pump s)

I know I ain't the first one that told her
And she a bad bitch so you know I have to tell her what's up
She bad she knows it (She got her Gucci bag she got her Gucci pumps)
Girl I just wanna know where you going
And she a bad bitch so you know I have to tell her what's up
After the club oooo
At the club a a after the club oooo

My blackberry full of black barbies
With curves on they body like Bugatti's
Sake with the sushi can't forget the music
Now show me how you do it
And get into it
She is bad and she know it
Champagne poured
Your nigger just a rodent he's tenderroni summer time breeze short cut sleeves
She hate it when I leave and get the green
On the weekend I'm a creep in dive in how she like on the deep end
Merry-go-round ass with the brown
Everybody see she is the badest girl in the crowd

She bad and she knows it (She got her Gucci bag she got her Gucci pumps pump s)

I know I ain't the first one that told her
And she a bad bitch so you know I have to tell her what's up
She bad she knows it (She got her Gucci bag she got her Gucci pumps)
Girl I just wanna know where you going
And she a bad bitch so you know I have to tell her what's up
After the club oooo
At the club a a after the club oooo

All my bad bitches in pumps

I wanna tell all of y'all what's up
You ain't been lookin at me but I been lookin at you
So tell me what it's gon be baby what we gon do tonight (tonight)
Baby what we gon do tonight (tonight)
Baby what we gon do?
