You niggas had all this time, but I'm still the guy  
You niggas pulled up with fives, y'all killed the vibe  
I'm used to diamonds, nine pieces, nothin' less

Pussy wet, no lube, no jiffy

Give a nigga pussy, he be actin' out of character

Repeatin' all the tea, you be soundin' like a parrot, bitch  
I don't really care about the tabloids and fake news  
Why these bitches tryna brag about my old dudes?  
Bitch, don't come to me as a woman  
If he say it for my nigga, then tell me "How was it?"

Ayy, ayy, ayy, ayy, where the thugs at?  
Where the niggas spendin' all the money in the clubs at?  
Stay away from niggas that be askin' "Where the hug at?"  
Boss bitch, sittin' pretty with a fat gyat
