Complement your swag with a bad bitch (one time)
I don't spend too much time without my savages
So I fuckin' bought the Rollies for my savages
In a four-door Bentley truck, just us
I treat it like a coupe, damn, what the fuck?
Walk in the club, savage to the front, savage to the back
Got my savages holdin' you-know-what
Bet you like the way I do it, I been talkin' all this shit, girl I'm tryna prove it (one time)
Teeth whiter than a song, girl, I do it
If you a bad bitch, I fuck you to my own music

One time if you a bad bitch (one time)
Two time for the savage (two time)
All you wanna do is just slay, yeah
All you wanna do is just slay, just slay
All you wanna do is just slay
All you wanna do is just slay, just slay
Aww yeah

Big boys, big toys, side all day with my own boys
Who am I? When you do what I say
I'ma make sure that everyday that you gon' slay (slay)
Good vibes, good days, no Ice Cube but it's Friday (it's Friday)
She love when a nigga hit it sideways
So every night, I'm gon' hit it sideways
I'ma throw a couple tags at ya (tags)
I'ma throw a whole bag at ya (bag at you)
And I love it when you mad at me
I just make you look back at me

One time if you a bad bitch (one time)
Two time for the savage (two time)
All you wanna do is just slay, yeah
All you wanna do is just slay, just slay
All you wanna do is just slay
All you wanna do is just slay, just slay
Aww yeah
