Chickens is cluckin', I'm too busy fuckin'  
Floatin' like a duck, but a nigga ain't duckin'  
Money tall as a nigga, Paul Bunyan

Big yellow diamond in my ring, it's a Funyun

Spent half-a-milli' for the lawyer, make the cage drop  
Bitch, I love hard, but I hate opps  
With a Glock, treat him like a bitch, give him face shots  
Swaggin' like Dipset  
Treat my bitch like a queen, treat my daughter like a princess  
I'm a Blood, it's a drip check  
You niggas light, boy, you niggas get bench pressed

Fuckin' 'em both, I'm ghost, lost power

Slip and slide, ragin' waters  
She call me, "Daddy," I'm not the father  
Big ass chopper, I call it, "Papa"  
These niggas snitchin', singin' opera

Throw it up proper, soo woo, gang  
Put her on a track, ran a choo-choo train  
Could've been dead, but he had boo-boo aim  
No cow, but I pull up in the moo Mulsanne
