I used to have a lot of bitches straight down for me  
Doing anything I said even ho in the streets

Daytime shift  
He a record [?] nigga he gon' learn quick  
Can't see behind the tints [?]  
When I'm riding down the blade  
Tryna knock a nigga bitch  
I ain't playing with no bitch man  
Says she got a nigga but he bitch made  
But I'mma show her how to get paid  
To the shop get some photos of the bitch made

Too \$hort I got game for a bitch  
Hoes come every time I hit the strip  
(Bitch) I let 'em know it ain't shit  
When I'm riding down the blade  
Tryna knock a nigga bitch

Too \$hort I got game for a bitch  
Hoes come every time I hit the strip  
(Bitch) I let 'em know it ain't shit  
When I'm riding down the blade  
Tryna knock a nigga bitch

Too short I got game for a bitch  
Smart car I get brain in the whip  
She suck me like I got a lemonade on my dick

Young Kunta Kinte, I got chains and whips

I'm in the bay getting paper, riding in the scraper

Don't ask no questions, I ain't doing no favors  
Bitch, I go hard on the ho  
You can get punched off and go hard on the row  
Talking that shit, I'm like bitch shut up  
Ever love a bitch, I'm like nigga never  
Uhh, and these niggas bitch made  
I been fucking bitches since the sixth grade  
I'm just tryna get paid, sharper than a switchblade  
Freshass fade  
With the brand new J's

No hands in that pussy on my Waka Flocka shit, ooh

Too \$hort I got game for a bitch  
Hoes come every time I hit the strip  
(Bitch) I let 'em know it ain't shit  
When I'm riding down the blade  
Tryna knock a nigga bitch

My bitch goin'
