Of the booty booty droppin droppin
Pussy hoe poppin knockin
Niggaz eyes got they suck it
Takin money out their pocket
Shoot 'em to the moon
Like a mother mother fuckin rocket
Pussy start wars
Turn bitches hit the stars
Get goose behind bars
Then smoke like cigars
I prefer swishas befo' i lick her
I got a tree for this trick
This dick a skeeter
I come, if she came
I ?win? to see her!

So one, two, three, four, five,
Six, seven, eight, nine, ten,
Eleven, tweeeelve

This stacks is on dick
This bitches don't second this
Somebody

That's why the pussy club sell
Plus a nigga pay money
Just to see a tail
And they go to the house
For a special resale
And plus everytime she said no
They say yeah
So we are go fish

If you and bitches a bootyclub then yo ass went low

So lemme take a picture
To make it a bit clearaaa
I love the club but i don't love no strippaaa
