

# Everyone Knows

YK Osiris

Family straight, I'm just focused on my mental  
Y'all don't even know what I've been through  
Can't nobody tell me 'bout depression  
Can't nobody stop me from my blessings  
Usually, I don't give a fuck about what haters say  
No, so fuck what haters say  
I lost my auntie, and it hurt me in a major way  
So, imma cry these thug tears

And I know  
Niggas ain't supposed to say how they really feel  
I'm Osiris, so you know I gotta keep it real  
Keep it real

Everyone knows  
That the dark days gon' get better  
The rain don't last forever  
We gotta stick together  
Everyone knows  
That the storm gon' come, keep your head up  
The pain don't last forever  
Everyone knows

Family calling me for a couple dimes  
They don't know that I'm about to lose my mind  
Why don't y'all check on me?  
You don't even check on me  
Nah, nah, nah, nah

I done read a couple comments on my IG  
I don't really give a fuck who don't like me  
Swear on my kids, they the ones that keep me happy

And I know  
Niggas ain't supposed to say how they really feel  
I'm Osiris, so you know I gotta keep it real  
Keep it real

Everyone knows  
That the dark days gon' get better  
The rain don't last forever  
We gotta stick together  
Everyone knows  
That the storm gon' come, keep your head up  
The pain don't last forever  
Everyone knows

Everyone knows  
Everyone knows  
Just hold on  
Just hold on

Know you're sick and tired  
Know you feel the pain  
But you gotta hold on  
Just gotta hold on  
I know you're sick and tired

But just hold on  
Just hold on  
You just gotta hold on  
Know you feeling lost  
Just hold on  
Just hold on  
Just hold on  
Just hold on
