

(JD on the track)
I just want a bag bitch

Now a nigga mad now
Now I'm in my bag now (now)
Never try to play with me nigga get you slapped out (out)
Money on my mind so I've been going insane (yeah)
Know when I beat it, bet the neighbors know my name (yeah)
She go' fuck a nigga now because I'm lit, woah (woah)
I ain't mad, but I swear I'm mad rich though (woah)
I ain't drake, but I swear I keep like six woes (woah)
I ain't never leading no nigga I got it on my own

'Cause I don't wanna love nobody
I don't wanna trust nobody, but myself
'Cause I don't wanna take no more

I don't wanna be that type of nigga, fuck for love
But I'm a type of nigga play it cool, 'Cause I'm a thug
Sex so good, make a nigga fall in love
Ass up face down, how I take it like a drug

'Cause I don't wanna love nobody (nobody)
I don't wanna trust nobody, but myself (but myself)
'Cause I don't wanna take no more
'Cause I don't wanna love nobody (no, no no no, no no no)
I don't wanna trust nobody, but myself (no no no, no no no, no no no)
'Cause I don't wanna take no more
I don't wanna be that type of nigga, fuck for love
But I'm a type of nigga play it cool, 'Cause I'm a thug
Sex so good, make a nigga fall in love
