

Make Love

YK Osiris

Oh no, huh
Yeah, baby
Yeah, baby
(Troy Taylor, you're the GOAT)

Don't wanna stand here
Girl, you know that you're way too fine
To be workin' that nine to five
I'll help you manage
I just need a minute of your time
And I promise, it'll be alright, oh

That phone, just turn it off, wait 'til tomorrow
Let's talk about me and you
Let's thank God, let me have it all
Everything that I see in you
When I'm on your body, there ain't no reason to fight it
You ain't gonna get enough...

When we we're makin' love
When you climb on top of me, I'm gon' have your body weak
Make love
Talkin' seven days a week, I'm gon' give you what you need
Lovin' all night, yeah, we lovin' all night
Girl, I know what you want
When we're makin' love
I'm gon' give you what you need every time we make love

Let me know if I done went too deep
Take it off, let's see what's underneath, oh
The way you work your body so unique
I can't get over you, got me hypnotized, baby

That phone, just turn it off, wait 'til tomorrow
Let's talk about me and you
Let's thank God, let me have it all
Everything that I see in you
When I'm on your body, there ain't no reason to fight it
You ain't gonna get enough...

When we we're makin' love
When you climb on top of me, I'm gon' have your body weak
Make love
Talkin' seven days a week, I'm gon' give you what you need
Lovin' all night, yeah, we lovin' all night
Girl, I know what you want
When we're makin' love
I'm gon' give you what you need every time we make love

Girl, you're body's callin' me
I love the way you ride it, doin' something to me
I can't get you out my head
I'ma give my best

When we we're makin' love
When you climb on top of me, I'm gon' have your body weak (Oh, oh)
Make love (When we're makin' love)

Talkin' seven days a week, I'm gon' give you what you need (Oh-oh, oh)
