Mind Games

YK Osiris

Lately I've been on the move, on the move
And I ain't been in the mood, I ain't really in the mood
Tryna play me like a fool, tryna play me like a fool
I play it off like it's cool
What the hell I'm 'posed to do?

Fuckin' with these thotties mix your mind frame up (Yeah)
Stayed down so long 'til my time came up (Yeah)
And don't never believe that this life ain't tough (Woah)
But I don't mind, she know mines ain't tucked
Reachin' for my chain, raise the crime rate up, yeah
Lately I've been thinkin' I got bad vibes (Bad vibes)
Why they tryna paint me like a bad guy? (Bad guy)
Workin' all night like a vampire (Vampire)
Real nigga lit, like a camp fire, yeah
Yeah, I've been buildin' up an empire (Empire)
I be hurtin', but I keep it on the inside (Inside)
Niggas playin', get it poppin' like a fish fry (Fish fry)
I done been through it all but I didn't die, yeah
Now it's so many hunnids in the band that I can't be safe (No)
I was lost for a long-ass time, but I found my place (Yeah)
See them stars in the ceilin' when I pull up on them niggas in the Wraith (Skrrt)
Got 'em all in their feelings, I can tell

Lately I've been on the move, on the move
And I ain't been in the mood, I ain't really in the mood
Tryna play me like a fool, tryna play me like a fool
I play it off like it's cool
What the hell I'm 'posed to do?

Yeah, couple hundred thousand dollar offers I don't jump for
Y'all be buyin' pistols, I be purchasin' the gun store
Eight figures saved, you still workin', y'all are done for
Broke in the club, what the fuck you havin' fun for?
Focused on the passion, get some goals, dawg (Yeah)
Chase the dream the same way you chase hoes, dawg (Yeah)
Tryna give a couple gems from the other side of hustlin'
Stay down, success is on the other side of strugglin' (Facts)
Real raps, real people doin' real shit (Uh)
Tired of fuckin' groupie women, need a real chick (Yeah)
I stumbled now and then, I'm not perfect
I hate every girl I been with, they don't count, I'm a virgin (Ha, ha)
Body count doin' ten life sentences (Yikes)
Got a plaque that my ex name's mentioned in (It's rough)
Crazy deals 'cause it's all about leveragin'
Ownin' everything, my bank account start replenishin'
Shit is crazy but it's true, word to Future
Me, myself and I, I swear to God, we're the future (Psychic)
I've been holdin' back and feathers still ruffled
The toughest online in real life always buckle (Bitch)
The new sex symbol, all the girls say Russel
I singlehandedly made my check start to double, uh
You can't stop it with your power facade
The audacity to think that you're bigger than God, it's crazy

Lately I've been on the move, (Damn) on the move

And I ain't been in the mood, I ain't really in the mood
Tryna play me like a fool, tryna play me like a fool
I play it off like it's cool
What the hell I'm 'posed to do?

Ooh, ooh, ooh (Yeah)
Ooh, ooh, ooh (Yeah)
Ooh, ooh, ooh (Woah)
Ooh, ooh, ooh
