(Troy Taylor, you're the G.O.A.T.)

Can I get your number?  
'Cause I saw you walk and then I knew I want ya  
I gotta have you  
I see you with your friends but I don't wanna interrupt  
But I don't give a fuck, 'cause I wanna love you  
Let's take you to my room

Let's get freaky, let's get sexual  
I wanna get sexual, oh, woah  
Let's get sexual, I wanna have sex

I make it easy, good woman  
I know you need it, good lovin'  
Would you believe me, if I told you?  
We can get it started, for you I'm goin' all in  
I wanna have sex  
Let's get sexual, I wanna get sexual, oh, woah  
Let's get sexual, I wanna have sex

Half on a baby, we can make it  
Ride a nigga's conversation to the A.M.  
Don't worry 'bout your neighbors, they just hatin'  
I'ma give you what you prayed for, sayin', "Amen"  
Need a minute then I'm goin' kamikaze in it ('Kaze in it)  
I'm in love with you baby, I ain't talkin' tennis  
You got an angel body and I know that heaven sent it  
So any sins that we committin' have to be forgiven

Let's get sexual, I wanna get sexual, oh, woah  
Let's get sexual, I wanna have sex

I make it easy, good woman  
I know you need it, good lovin'  
Would you believe me, if I told you?  
We can get it started, for you I'm goin' all in  
I wanna have sex

Sex all night 'til the morning light  
And I'ma do your body right (Woo)
