

## Worth It

YK Osiris

I would give you the world, nah, nah, nah  
You just gotta be worth it, yeah, yeah, yeah, yeah

I would give you the world, baby girl  
You just gotta be worth it (Oh, oh, oh)  
You don't gotta be perfect (Mm, mm, mm)  
You just gotta be worth it, yeah, yeah, yeah, yeah  
I would give you the world, baby girl  
You just gotta be worth it, yeah, yeah  
But you don't gotta be perfect (Oh, oh, oh)  
You just gotta be worth it, (Lil' Tory) yeah, yeah (Ayy), yeah, nah, nah

I will give you the world, baby girl  
Let me swerve, let me slide in it  
I dive in it, if it's worth gettin' wet, I Poseidon it  
I will give you the world, rocks and them pearls  
All for my girl, offer the world  
To you baby, time and time again  
I've been puttin' all up on the line again  
I done said that you fine a couple time  
But ain't nothin' to say that you fine again  
I'm just happy to say that you mine again  
I'm not here to complain with your mind again  
You done got on top it, and it's so deep  
Had to bring the car to a slow creep  
I'm just happy the Lord sent a sign again  
And my nigga, oh, remind him why again

I would give you the world, baby girl  
You just gotta be worth it (Oh, oh, oh)  
You don't gotta be perfect (You don't gotta be perfect, mmh, mmh, mmh)  
You just gotta be worth it, yeah, yeah, yeah, yeah  
I would give you the world, baby girl  
You just gotta be worth it (You just gotta be worth), yeah, yeah  
But you don't gotta be perfect (Oh, oh, oh)  
You just gotta be worth it, yeah, yeah, yeah, nah, nah (Dolla \$ign)

You know that I'll give you the world, long as you my girl  
Won't let these hoes in between  
I keep you dripped in Céline  
Tattoo my name on your body, I just might buy you a ring  
Give you the keys to the V, you ride around on me, yeah, yeah  
Uh, put it in drive for me, uh  
Keepin' it tight for me, ayy  
I love how you work it, ayy  
Shawty you worth it
