

Each Day

Ylona Garcia

Young girl, why so sad
I'll be there to save you from the pain
Young boy, don't be mad
I'll be there to help you with anything

Yeah! Don't feel insecure, don't feel bad
Always be who you are 'cause you are perfect
You are perfect

One step, two, three, four
You keep on going 'til you can't move on
Yes it gets harder to trust me, gets better along the way
Five, six, seven and eight
Maybe you finish by this day
So young one hold on, don't worry it'll be okay
A beautiful you each day

Little girl they call her, hey
Trust me if you let it, oh leave
It will only cause you pain, yeah
Little boy, they call you bad names
Abandon that position before
Just hold on, it'll be okay

Yeah! Don't feel insecure, don't feel bad
Always be who you are 'cause you are perfect
You are perfect

One step, two, three, four
You keep on going 'til you can't move on
Yes it gets harder to trust me, gets better along the way

Maybe you finish by this day
So young one hold on, don't worry it'll be okay
A beautiful you each day
