

# Hamar Town

Ylvis

Okay, it's council meeting day  
Deep breath, what will the others say  
When I present my new idea before the council?

Okay, just five more minutes now  
Hello, I'm Geir, no, they already know  
Just say what's on your mind  
Show the drawing and you'll be fine

'Cause there's one thing we've been missing  
In this town for far too long  
A place to dive for people who like diving  
I swear, I'm gonna build this town  
A brand new diving board  
It will be beautiful, fantastical,  
Affordable and magical for Hamar town

Right here, can you see it too  
A nice board, I'm thinking grey and blue  
Will it be expensive? - No  
Will it be secure? - Of course  
Convinced, that's how I feel right now  
Convinced, we'll find the cash somehow  
Unanimous on three - One, two, three  
You can always count on me  
You can count on me  
Count on me  
And count on me  
We're gonna help you build a diving board  
Diving board

I'm gonna build something great  
A brand new diving board  
And I swear  
It's gonna be fantastical, sensational, phenomenal, traditional  
And most likely affordable, a diving board for Hamar town  
How hard can it be
