Ylvis

Hey hey, wuz' up my man!  
Hey, wud up!  
You know, I'm trying to open this motherfucking bottle  
What?  
It won't open!  
Ahhh...C'mon, you gotta put some pressure on it  
Check this out, right here...  
HEY!  
Pressure  
One thing stays the same...  
No matter what you do...  
Negotiating peace in the Middle East  
Or if you squeeze on yo' motherfuckin' soap machine  
You gotta...  
Put the right amount of pressure on it  
You gotta...  
Put the right amount of pressure on it  
Pressure on it  
Do you like it when your taco gets fucked, baby  
Too much pressure make them shells go boom, baby  
When you're pimpin' up your Mona Lisa  
Easy, boy!  
Put the right amount of pressure on it  
Gonna show you something freaky now...  
I'm a show you, show you how...  
How it's all related to the pressure and the pushing  
And the squeezing from your fingers...  
Now!  
(Na na na na na na na)  
(Na na na na na na na)  
Put the right amount of pressure on it  
Pressure on it  
Put the right amount of pressure on it  
(Na na na na na na na)  
(Na na na na na na na)  
Put the right amount of pressure on it  
Pressure on it  
Put the right amount of pressure on it  
Just because your son ain't got no legs  
It doesn't mean he can't compete in the Olympic Games  
With the right amount of pressure on  
Hell yeah, he'll be runnin' like a normal son  
You want your girl to try something new  
Three girls at the time sound good to you  
We both know how it's gonna end  
I'm gonna press  
Press, press, press, press, press  
Press until I..  
All the ladies in the club do the pressure dance  
All da hustlers on the floor do the pressure hands  
Stina Beate, do the special move!  
Whoa!  
That's a special move...  
(Na na na na na na na)  
(Na na na na na na na)  
Put the right amount of pressure on it

(Na na na na na na na)  
Put the right amount of pressure on it  
Pressure on it  
Put the right amount of pressure on it  
As I was looking at the sky above  
I realized I was falling in love  
Pressure is the meaning of life  
I wanna marry it and make it my wife  
Have lots of little pressure kids  
Go on lots of little pressure trips  
To the pressure hills, watch the pressure sun, going down...  
While we're kissin' using pressure tongue!  
(Na na na na na na na)  
(Na na na na na na na)  
Put the right amount of pressure on it  
Pressure on it  
Put the right amount of pressure on it  
(Na na na na na na na)

(Na na na na na na na)  
You're doing CPR on a baby's chest  
It's fo' real, daug!  
(Na na na na na na na)  
Put the right amount of pressure on it
