

# The Cabin

Ylvis

Oh..

Come with me, girl  
I wanna take you to a place  
Where it's just you and me..  
To my cabin

Let me take you to my favorite place  
Just a five hour drive from the city  
Just follow the road until it stops  
And then keep walking for another forty minutes  
Then - out of nowhere..

There it is

My cabin!

Right now it's icy cold  
But in sixteen hours, it's gonna be hot!  
Mmm, I'm gonna make you dinner, baby  
I hope you like..  
Spaghetti!

Then we do the dishes manually  
With over fifteen different kinds of cutlery  
Sixty square meters of heaven on earth  
A tiny wooden paradise  
It's my own private pinewood Taj Mahal  
Except for the shape and the size  
The cabin!  
Where I come to relax  
The cabin!  
Wear the same pants for a week  
The cabin!  
I've got skis on my walls  
In my cabin..

One day this place will be mine  
Only split it with my brother, sister, father, uncle and his lover!  
And if you like to piss outside..

This is definitely the place for you  
Mmm  
'Cause I've been pissin' over here  
And pissin' over there  
One time I even pissed over here!  
But you should never ever shit outside  
We have a small, separate cabin  
For that kind of stuff!  
We can hang stuff on the wall together  
As long as it's copper  
Or dead animals  
And who's that man on the wall?  
Dad?  
DAD? Is that you?  
Who put my dad inside the wall?  
Dad?  
Don't you worry  
I'm gonna get you out of here!  
Aaah..  
It's a picture!

Sixty square meters of heaven on earth

A tiny wooden paradise  
It's my paradise  
My own private pinewood Taj Mahal  
Except for the shape and the size  
It has a shape, it has a size  
You should really come here some time  
Come on, we've been married for ten years  
Mmm..I miss you so much  
And I don't understand it  
Now why don't you come to my cabin!  
We can play some chinachess  
And take a long cold shower together!  
I got forty nine cards ready to be played with  
And a joker from another deck!  
Impossible to spot!  
We can just walk and walk and walk and walk and walk  
You know there's no such thing as bad weather  
Only bad kleather  
When you come up to my ca-a-a-bi-i-i-n..  
My cabin
