Ylvis

I really want some yoghurt  
Well, not exactly yoghurt  
But it has a taste of yoghurt  
And also kinda look like yoghurt

The shape should be like yoghurt  
Some people will think it's yoghurt  
But with a closer look at my yoghurt  
You'll discover it's not yoghurt

So my car broke down... Yoghurt  
I took the bus... Yoghurt  
Had to stand because of the yoghurt  
And then I met this girl Dio& Ourt

So we start to talk about the yoghurt  
And the way she pronounces yoghurt  
Just make my heart go - Yoghurt!

Raspberry - Oh my God!

Pineapple - Suck it, suck it

I heard rumors of some yoghurt  
Some special kind of yoghurt  
And I saw this store called Djoghurt  
Could this be it? Djoghurt?

I said excuse me, sir Djoghurt?  
Is that a special kind of yoghurt?  
He said forget about the yoghurt  
The new thing now is Djoghurt

It's so amazing, yes this thing is gonna blow your mind  
It is the sweetest, softest, purest thing you'll ever find  
You think you've tried it, but remember - it's a special kind  
It's not yoghurt, it's Djoghurt
