

1st Quarter

YN Jay

(Enrgy, made this one)

Okay

It's 1st Quarter

Alright

I gotta win, I can't lose, I feel like Miles Bridges
If I throw it up, it's gon fall, no I'm not missin'
I can cross you over, I can dunk it, I just might dish it
God finally gave me my chance, I cannot miss it

Okay, it's my turn?

Alright

Okay, I got a best friend named Spaulding, yeah I like to ball
Only when they see you comin' up, is when they like to call
You might see me out at Lenox, I just like the mall
I just left my new girl on read, I just like to stall
Ooh, she just pulled up with her friends
I'm just tryna figure out a way to say I like 'em all
Nice neighborhood ducked off, I just like to jog
I just shoot my shot and close my eyes, I mean it gotta fall
All the ladies like Coo... Man, feel like I got 'em all
Ahhhh
Told coach to put me in the game, because I gotta ball

I gotta win, I can't lose, I feel like Miles Bridges
If I throw it up, it's gon fall, No I'm not missin'
I can cross you over, I can dunk it, I just might dish it
God finally gave me my chance, I cannot miss it
I gotta win, I can't lose, I feel like Miles Bridges
If I throw it up, it's gon fall, no I'm not missin'
I can cross you over, I can dunk it, I just might dish it
God finally gave me my chance, I cannot miss it

I gotta win, I can't lose, I feel like Miles Bridges
If I throw it up, it's gon fall, No I'm not missin'
I can cross you over, I can dunk it, I just might dish it
God finally gave me my chance, I cannot miss it
