

3 Stooges

YN Jay

JAYLA, JAYLA

I could get a nigga smoked how we blow our weed
I roll 3-5s, this shit grow on trees
I just picked Wop up, he from over east
I just met a cute bitch, she from overseas

Made \$700 off a QP
I'mma still stand on business if we too deep
I just poured up some turtle and I fell asleep
Little cous' got kicked out, he was selling weed
I ain't tryna hit your 'wood, it got hella seeds
Stop talking money, you ain't got 50 Gs
I'm going back to Cali' to buy 50 Ps
The cops thought they had us, gimme my blicky please

Ay, I'm dunked off on the road, I'm just stacking cheese
I know a light-skinned bitch, she got the blackest knees
Bitch coochie make that one sound, she got the mac and cheese
I'm looking for a bitch I wanna- ah
I'm looking for a bitch I never had, I want a Japanese
I know a bitch got a lot of money but be acting cheap
I can't believe this bitch really thought she was gon' move in
I can't believe I lost off FanDuel, they beat me out of bands
I never stay at hoes with hotels, they put me out again
I'll never let a bitch stay a whole day at my crib
I take bitch to the hotel, she'll never know where I live
Dropped him off and keep goin', she'll never know where her kids at
You say you got a crib, but where you really live at?
How you telling the truth, but it sound like you still cap?
Throw a party, I ain't even post the Addy, still slap
Smoked your mans, still alive, you better get your kill back

Man...

I ate a bad Perc', now I got indigestion
I cheated but she took me back, she love my imperfections
I can shoot with both hands, I'm ambidextrous
Rah! I just scared myself
Booked a flight with the weed in my luggage, I done mailed myself
This bitch bad but her pussy weak, I misled myself
If I ever go broke, I'mma have to sell myself
Which white woman wanna spend that?

Dawg ran up, I knocked him out, got him chin-checked
Bitch, hoe, you a little bit cute, where your friends at?
My boo booty flat so, I had to buy a butt
I'll fuck Saks up until it's inflation
My lawyer the GOAT, boy, I just beat 10 cases
I hit her pussy real hard, I made 6 babies
Stuff her booty hole with a zip, she shitted six eighties
