

Another Day

YN Jay

Woke up, that's another day, aye
Woke up, that's another day, aye
Another day, aye
Hey
Hey
Woke up
Hey, hey

Woke up, that's another day
Phone ring, that's another play
If it don't work, I'll find another way
Fuck you mean? I grind everyday
Woke up, that's another day
Phone ring, that's another play
If it don't work, I'll find another way
Fuck you mean? I grind everyday

Blow a bag on a bag, bet I'll make it back
My big bro went to a party, he ain't make it back
That's fucked up, but that's how life be
So damn high, no I can't see
Bitch gave me head while I was sleep, she tried to steal my dreams
That lil freak bitch a thief, she tried to steal my weed
I'm finna trip, hope I don't spill my lean
This straight drop, damn near killed my fiend
Feel like a rockstar with this heavy metal
Hold me back, why would I let you?
This shit gas, why would I bless you?
Did my math, I was correct too
Take step one before you take step two
This shit chess, make your best move
MVP, you know me
R.I.P Gabe, no I won't forget you

Woke up, that's another day
Phone ring, that's another play
If it don't work, I'll find another way
Fuck you mean? I grind everyday
Woke up, that's another day
Phone ring, that's another play
If it don't work, I'll find another way
Fuck you mean? I grind everyday

Bet a bag, get a bag, but he ain't gon stack
Throw a flag on the play, had to take it back
I got it on me when I'm on the scene
That chicken on me, keep it in my jeans
'Member when I used to wanna hoop, I had to switch my dream
I'ma win with my niggas, I can't switch up teams
Been through some shit I bet you won't believe
I'm in that water like a submarine
I got free samples, no I'm not Chinese
Phone ring, that's my [?]
They love to hate, but they not in between
I flip through paper like a magazine
Take step one before you take step two
This shit chess, make your best move

MVP, you know me
R.I.P Gabe, no I won't forget you

Woke up, that's another day
Phone ring, that's another play
If it don't work, I'll find another way
Fuck you mean? I grind everyday
Woke up, that's another day
Phone ring, that's another play
If it don't work, I'll find another way
Fuck you mean? I grind everyday
Woke up, that's another day
Phone ring, that's another play
If it don't work, I'll find another way
Fuck you mean? I grind everyday
Woke up, that's another day
