YN Jay

J, this shit too crazy

I just hit the road with some dog and brought food back  
Hit the road with some (Shhh), and brought blues back  
Walked in with a suit and tie, they think blues back  
On the road high as hell, like I flew back  
I can't wait to make it out the hood, I'ma move back  
Walkin' with the city on my (Fuck!), I got a bruised back  
Nigga had a gun but it jammed, he can't shoot back  
I just put my bitch out my class, they think school back  
How the fuck you thick with no ass?  
How the fuck you thick with no ass, you got a smooth back  
I be out in Cali in the (Ahhh!)  
I be out in Cali in December, they think June back  
Austin Powers, all I wanted was my groove back  
I put you on your feet, all I wanted was my shoes back  
All I wanted was my blues back  
All I want is my blues  
All I want  
All I wanted was my blues  
All I want Is my  
Austin Powers, Austin Powers, all I wanted was my groove back  
Left my lil cousin at the crib, cause he do too much  
Custo almost dropped dead, say she ooh too much  
I can tell the way she throwin' ass, she got a dookie butt  
Bitch walkin' with her cat out, put the coochie up  
Bitch you gotta let my nigga hit you, that's my coochie friend  
Bitch been sittin' in the sun too long, she got a coochie tan  
Bitch blow air bubbles out her cat, she got a coochie fan  
I can see your pussy through your leggings, that's a coochie scan  
Damn  
Oh, that was your bitch, damn I didn't know (Aye)  
I was high off lean, left wrap the stove  
Cookin' in the kitchen, left it on the stove  
Bitch I'm next up, they tryna steal my flow  
Cornerback your bitch, I'll steal your hoe  
Oh, that was your bitch, but she still my hoe  
Let me fuck your face, I can feel your throat  
I just hit his bitch, and he still don't know  
Put some water on the plant, but it still ain't grow  
My new bitch cold as hell, but it still ain't snow  
I just blew like 50 thousand, but I still ain't broke  
Which one of these hoes I'm 'bout to fuck, no I still don't know  
Which one of these hoes I'm 'bout to fuck right after my show  
Which one of these hoes, I don't know, I don't even know  
I don't even know, I don't even know
