

## Bubble Gum Gelato

YN Jay

(Enrgy made this one)

Damn

Bubble Gum Gelato, I just stuffed it in a Backwood  
These niggas really ain't street, they just act hood  
I be ducked off, probably somewhere in the Backwoods  
I just rolled a Dookie, I'ma fire up a fat wood  
Okay, the wock' alright, but the act good  
Ridin' with a Mini Draco, with the black wood  
I might throw a Coochie Land party at Atwood  
Oh you talkin' 'bout the stadium in Flint, Michigan?—Alright, o  
kay  
I might, hit a nigga momma like your dad would  
I just, hit your step momma like your dad would  
Nigga said I can't come to his city, that's my mans hood  
I be out there every other day, with my pants full  
\$80,000 in my pocket, I just popped a button  
Told bro "This shit on the floor", I just dropped 100  
\$100,000 all hundreds, that's a lot of—ahhhh  
That's a lil knot  
When you heard his heartbeat stop, that's a lil drop  
I just served my fiend some cut dope, that's a lil drop  
I be ridin' 'round with 4 guns, that's a lil hot  
Ashy ass ankles on your leg, you got little socks  
I just put the cooler on the yeah, it's a little hot  
If your daddy told on somebody, you a Mickey Mouse  
Flexin' with that little ass crib, that's a little house  
Bad bitch give me head with little lips, she got mini mouth  
Big ass bag on the floor, what the fuck in it?  
I'ma stack all my rap money, I'm like "Fuck spending"  
Why you didn't graduate high school? 'Cause I don't listen  
Why you shoot him with your eyes closed? 'Cause I don't miss it  
Bitch, don't speak when I'm talkin', tell my hoe listen  
I was finna pop this nigga up, but my hoe did it  
I just cooked up a new batch, in my old kitchen  
I just had to turn my phone off, all my hoes trippin'  
Told bro "Turn the volume up", this shit hard as hell  
Gotta give my [?] rock solid, this bitch hard as hell  
Dumbass bitch give me brain, this bitch smart as hell  
Damn
