

Chain

YN Jay

I made a million dollars off this shit, man...
And it didn't take a long time, man
It only took like a couple months

Step out with ahhh... fuck
Step out with the flawless grill but it look better with the chain on
500 thous look good but it look better with the gang on
Remember days I ain't had shit I was walking round with the same clothes
Me and Gramz got the same plug we done fuck around and cop the same bowls
Told a custo meet at square one seen Gramz boomin at the same store
Nigga said he never heard of me how the fuck do we got the same flow
Me and bro nd them share bitches we fuck around and got the same hoes
Got this one lil freak bitch she suck dick when I say so
I'm an artist like Picasso if you make me mad I'ma paint hoe
Coulda pulled up shoot from deep as hell but I was already in the [?]
If I catch a body I'ma getaway, no evidence, no case hoe
Young nigga only 13 but he ridin round with a draco
Freak lil bitch thick as hell but this bitch need to get a makeover
[?] niggas run the world. You can't see nigga this a takeover
Bitch thought I was coming through but I switched the play its a fake on her
Pussy boy you don't own shit you be rentin shit you a fake owner
Nigga why the fuck you sitting down? Better get up, nigga break over
100 thous in my fanny pack. What the fuck is that? That's a safe on me
Nigga thought I was OVO riding round with a Drake on me

Fuck around and fuck your hood up give it a makeover
Fuck around and kick this bitch out she can't stay over
I'm mad as fuck those bowls ain't touchdown, they had a layover
Told my nigga it was beef on the floor he brung the K over
20k up on my neck, got 20k in guns
Jay got kicked out the club got 20k in ones
A nigga know if he touch me ain't know one on ones
Brodie when to school for a year, now he one and done
I know a nigga ain't got these shoes these 1 of 1's
I spend that shit in one day, what you made in a month
My white boy buy weed call him CM Punk

You bet not get high with unc he be seeing stuff
They thought we was gon fall off, we just speeding up
And we still with the same nigga's we ain't teaming up
I can still call yo main bitch she gon eat it up
I always knew since we was kids we gon be rich as fuck
