Coochie In Class

YN Jay

Ballin', I got all them broke niggas mad
Talkin', then killer gon' get on your ass
I had to run up a muhfuckin' bag
500,000—
500,000, it's stuffed in the stash
Sippin' the lean while I'm drivin', I hope I don't crash
Run from the police, I don't got no tags
I hit the muhfuckin' gas, gas, gas
I get the paper like I'm in the class
I see the snakes in my grass, ayy
Gucci the shoes, might as well Gucci the mask, ayy
Gucci the socks, I might as well Gucci the bag, ayy
Got kicked out of college for gettin' some coochie in class, ayy
