(Enrgy, made this one)

I'm in Coochie Land
Do you know the Coochie Man?
I'm in Coochie Land
I'm in Coochie Land
Do you know the Coochie Man?
I'm in Coochie Land
I'm in Coochie Land
Do you know the Coochie Man?

Bitch told me I'm the goat, I set a coochie trend
I got 6 hoes on the floor, I need a coochie plan
I know I'm finna get the cat, I hit my coochie dance
Oh you ain't got nowhere to take 'em? Come to Coochie Land
How are you doin' today? I'm the Coochie Man
I just pulled up with 10 hoes, in the doonie van
Zeek and Lou sittin' in the spot, tryna move some grams
Nigga told me I can't fuck his bitch, I bet Louie can
Oh you got some dog shit? You the Dookie Man?
Niggas waitin' on they unemployment, I just blew some bands
I'm finna start a record label, feel like Gucci Mane
Young fly nigga with a K, feel like Lucci man
I was young bangin' bootleg, like the movie man
Dayton Family did it first, opened up the gate
I closed my eyes in my prayer, nigga stole my plate
Nigga died drowned in the water, tryna hold my weight
I wanna fuck, don't wanna take you on no movie date
Coochie Man lend a cat, I don't dog my bitches
Get to passin' out hoes, I don't hog my bitches
I don't mean no disrespect, that's what I call my women
All my bitches love me, I love all my bitches
(Then beat her doonies down, I fuck all my bitches)
I treat all my hoes the same, I love all my bitches

I'm in Coochie Land
Do you know the Coochie Man?
I'm in Coochie Land
I'm in Coochie Land
Do you know the Coochie Man?
I'm in Coochie Land
I'm in Coochie Land
Do you know the Coochie Man?

Do you know the Coochie Man?
Do you know the Coochie Man?
