(Yeah, Baby you did this one)  
Damn, where the fuck I'm at?  
(Yeah, Baby you did this one)

Aye, I'm a Doonie Scout  
I'm in Candy Land off a perc, I'm pointin' doonies out  
Everybody fuckin' in the crib, it's a doonie house  
In this room, niggas eat the cat, you hold coochie mouth  
In this room, you beat the doonies down, make her coochie smile  
Get put out for eatin' bitches ass, you hold booty mouth  
You can't come back to Candy Land, you just broke the rules  
Walk down the street to Coochie Land, it's so beautiful  
Beat the pussy up like some drums, it go do-do-do  
This song is rated R, like the movies do  
Bitch been shakin' ass all day, I bet her booty loose  
When I did that I wasn't yawnin', I was really rappin'  
When I was supposed to be in school, I was really trappin'  
Hold on, let me get back to what I was talkin' bout right quick  
I just woke up in a place, it was magic, it was really lovely  
I just made this bitch fall in love, this bitch really love me  
Bitch really pretty on the internet, this bitch really ugly  
New suit like Mike Lowrey, this bitch better not touch me  
Why the fuck you give me your heart? Did you really trust me?  
I can't fall in love with no bitch, cause I love the money  
I be talkin' dirty to my bitch, she just want my money  
How the fuck I end up in here? Where the fuck I'm at?  
How are you doing?  
No-no-no, I don't wanna hear that shit  
Hold on, calm down, calm down  
No-no-no-no  
You in a world full of thick booty bitches, with they thitties out
