

Demure

YN Jay

(E-E-Enrgy made this one)

Bitch, bitch

Got a gun that stay in my backseat all day
You need a nigga X'ed out, bro just call Fxce
Makin' plays while I'm outta town, lemme call bae
Out of all the strikers that I sold, I then dogged eight
I spoil all my hoes, they don't never gotta pay for shit
All designer clothes, spent two thousand on a lazy fit
I'm In the club throwing money like I hate that shit
I wouldn't be here talking the way I'm talking if I faked this shit

Nigga tried to fire up some weed but it was all shake
I just hit a bully with a bully and made dog shake
I'm riding with a baby micro, somebody call Drake
Bitch think I'm Jake from State Farm cause I'm in all states
Nigga got on four chains, I found out they was all fake
Bitch keep saying she know E, I had to call Fxce
Bitch keep shaking ass, I love how she do that shit
Bitch said I fucked her bestfriend, I never knew that shit

Hit her off the don dick, she tell me she ain't use to this
Know the head was crazy cause she had me doing stupid shit
Bro drunk, dancing with the Drac, he kinda lose with it
Got the song mixed, and fucked around didn't use the mix
Nigga built a empire off from lying, on some Lucious shit
Making plays in Boston, I just took a Massachusetts trip
Lean got my belly poking out on my Gucci shit
I ain't talking about you, don't get mad cause the shoe can fit
Threw a pool party, bunch of topless hoes on my Boosie shit

Mmm, I'm on my coochie shit
I be sluttin' bitches out and make the coochie spit
She won't let me pull out, the bitch got coochie grip
I'm tryna fuck! I'm tryna fuck right now
A bad bitch walk pass me, Imma bite down
Got a big Cuban on, it look like a light house
Bitch think I'm Liu Kang, I hit her in a fight style
I had to whisper and record while I was fucking, cause the mic loud
If I put the scope to yo' head, is it on sight now?
How the fuck the bitch get left? she had the right child
All these different hoes, different nights, damn my life wild

Jay, our life crazy
She said "my stomach hurt", bitch it ain't no baby
I wasn't even coming out today, but the hoes made me
That ain't your bitch for real, she like "Oh, Hey E!"
I got a old bitch, we only fuck when the candles lit
Beat the pussy up, but I ain't paying for the damages
I'm 2024 president, Bitch ain't no candidates
They asked me what's the first thing imma do, bring back Activist
I'm off that drank, I forgot even had to piss
Pole tucked, you wouldn't think I had the stick
Scary Movie when I'm in the pussy, I be stabbing shit
Watch I turn yo' bitch into a slut, It's a magic trick
Aw shit, I put that wand on her
Pull the pussy, mane this bitch just put a pound on me

Somebody tell Sexyy Red I'm tryna pound town her
I hit her in a small room, that's why I sound louder
EBT, I'm at the grocery store the way I bag a bitch
10 assist, I'm playing basketball they way I-
Yeah, 10 assist, I'm playing basketball the way I pass a bitch
Bitch passed out, I ain't do shit but walk past the bitch
