YN Jay

(Marc Boomin, this you?)
I gotta ask you a question
(Hold on)
Mmm
Can I beat your doonies down?
I'm still tryna, figure, yeah
Ooh

Aye, baby girl
Can I beat your doonies down?
I'm still tryin' to figure out if I can I beat your doonies down?
It's four years later and I'm still beatin' doonies down
Doonies, doonies, doonies, doonies, doonies, I beat doonies down

I'm in the strip club throwin' money, this a coochie crowd
I love when I meet that one cat that make coochie sounds
2020, it was a coochie wave
I'm out here lookin' for the cat, I'm in the coochie maze
I paid for a bitch hairstyle, she got coochie braids
I know a bitch that love eatin' cat, she got a coochie face
I don't eat the cat but I wonder how the coochie taste?

Hahaha
I still wonder how the- I never ate cat
I still wonder how the coochie taste?
You hear me?

I hit a bitch while I'm at the movies, it's a coochie date
I thought that ass was real but I ain't know that booty was fake
You a freaky, nasty dude eatin' ass off a booty plate
Bitch got some hard ass cheeks, she got booty plates
Nasty-ass bitch got dirty panties, eww, dookie stains
Nigga got some bullshit-ass jewelry, got a dookie chain
I'm in the house with thirty bad bitches playin' coochie games
Freak bitch keep squirtin', is that coochie stains?
I hit a bitch with my switches, am I Pootie Tang?
Hold on, them boobs too fat, is them titties real?
How you make your boobies bounce? You got titty skills?
You got your breast done, how long it take for your titties to heal?
Too many niggas died, how long it take for your city to heal?
I know you pop pills, but how many pills?
Keep your ass on the sidewalk, the streets gettin' real
It's too much beef, that's how niggas keep gettin' killed
I broke a bitch heart like my lean when it's finna spill
I love real bad, bad, bad, bad, bad bitches
I'm talkin' 'bout them real bad, bad, bad bitches
Niggas said he got a lot of hoes, but never had bitches
Ain't gon' lie, I hate them one angry mad bitches
My money ran, did a cartwheel but the bag flipped it
The stripper shakin' ass so good, damn, I had to tip her
This bitch cummin' while we fuckin', only half my tip in
Bitch said she can fill it in her stomach, only half my dick in
I know a nigga that made it out the streets, he was the brick man
I know a nigga earned his startin' spot, he was the 6 man
Hold on, where the skinny hoes? Why you pull up with your big friend
Ayy, who the fuck let you in this party? How you get in?
Ooh

Aye, baby girl
Can I beat your doonies down?
I'm still tryin' to figure out if I can I beat your doonies down?
It's four years later and I'm still beatin' doonies down
Doonies, doonies, doonies, doonies, doonies, I beat doonies down
