

Face It

YN Jay

(Ooh, Sav killed it)
Okay
Gotta live up to this shit now
Alright

I just walked in with dog shit, I need some toilet paper
Why the fuck you own a car? You can't afford the payment
Why the fuck you own a foreign? Can't afford a basic
I just pulled up in a UFO, I'm finna board a spaceship
Freak bitch like to fuck, but she can barely take dick
Nigga said he hit the road, but he barely take trips
I don't work no 9-5, but I'm on a day shift
You really took her out to eat? Bro, you on some datin' shit?
Aye, I ain't with that fake shit
I just wanna fuck, I ain't with that play shit
I don't really never eat the cat, but I wanna taste it
We be back to back in foreign cars, do you wanna race it?
I knew the pieces to the puzzle, I just had to place it
I bet I can hit your bitch, that's a bet, do you wanna place it
?
Damn, my bitch called me cheap, I just had to face it
Damn, My bitch called me cheap, I just had to face it
I just smoked a wood by myself, I just had to face it
I knew I was gon make it to the top, I just had to face it
I knew I couldn't go back in time, I just had to face it
Damn, I just had to face it
If I ain't do it, then who else was gon do it? Shit I had to make it
I went to school in the streets, and I graduated
I could never stop a nigga shine, I was bad at hatin'
I'm a artist but not like Picasso, I was bad at paintin'
Okay, you know I'm still grindin', but I'm bad at skatin'
You woke me up when I was sleepin' good, that's a bad awakening
I'ma drop the song soon as I'm done, I was bad at waitin'
