

Granny In Candyland

YN Jay

I had to leave Michigan, because I hate when it be cold again
Middle of the winter, Tims on, I'm in the snow again
I just made a hundred out in Cali, I need more again
I know a bitch that hit the lottery, she broke again
Bitch sucked dick then she left, came right back, she gon' choke again
I be cleaning up dirty money, I need soap again
Mad as fuck I ain't got no bread, I need dough again
Damn, I got lost in that water, need [?]
I just made a hundred last month, but I need more again
All I really want is new money, I don't want no friends
Damn, I'm the candy man
I got ten bitches butt naked, we in Candyland
I just hit a nigga [?] I'm your grannie man's
Playing cards at your family reunion, I'm your grannie friend
She got a fat ass, she got grannie pants
Bitch don't know how to shake ass, do your grannie dance
Bitch pulled up with rinkled fingers, she got grannie hands
Bitch wanna suck my candy cane, I'm the candy man
Bitch wanna go trick or treating in the candy van
Baby gotta go through Coochie Land to get to Candyland
Baby wanna meet my coochie friends, these my candy friends
Baby said she got an old soul, she want candy yams
Big bro keep his tool on him, he the handy man
OK

I just pulled up with an old lady with a big gun, that's my grannie friend
I ain't talking 'bout my grannie friend, that's my grannie friend
I ain't talking 'bout my grannie friend, that's my friend grannie
I just hit somebody mama mama, I'm your granddadaddy
I just hit somebody friend, my mom your man's daddy
I just got your mama pregnant, I'm your damn daddy
Niggas said I ain't gon' slide down, send a damn addy[Verse]
