

I HAD 2

YN Jay

(Enrgy made this one)

Ayy, I had to

Heard these niggas sick I'm gettin' off, I had to
Bro said he tired of eatin' steak, he want fast food
I'll fill a nigga up with lead, he want tattoos
She don't see the bed, she give me head in the back room
My new bitch clean dick like a vacuum
I been knew I was the shit, I need a bathroom
My bitch bad, had to put her out my classroom
Ayy, she a superfreak
I'll take your bitch to a show, got her super geeked
I'll take your bitch on a ride, I got Uber seats
That bitch got too much ass, I think her booty fake
My bitch make pictures fall when her booty shake
Lil' freak bitch bad as hell, but her coochie stink
My new bitch brown skinned, but her coochie pink
Mike, let me get the- I'm 'bout to do some shit
Ri', call a U-Haul, I'm 'bout to move some shit
Louie, that's my big bro, but y'all knew that shit
I been out here ridin' dirty like I'm too legit
Heard these niggas want smoke, where the hookah stick?
Why your mans hit the stand tryna prove some shit?
This bitch hit when I swipe, yeah, approve this bitch
Bitch tried to throw a shot counter, move this bitch
Freak bitch give me brain, she gon' tutor me
Ridin' with a baby Drac', I need the booster seat

Told bae to calm down, I think she losin' me
Tell her ain't no bullshit, fuck the foolery
I grind hard double time like it's two of me
My brother Rio on tether, call Uber Eats
Yeah, my chopper ride up front, you gotta move seats
Bring me the lumberjack like I move trees
These the Guccis with nolaces, fuck shoestrings
Had to sell the Drac' to make space for my new thing
I just ran into an old eight for my new fiend
One just ain't enough, I need two things
Bring me a lobster tail and some brown rice
I'm backed up on my taxes, I can file twice
I ain't even gotta scream, I got a loud mic
New bitch kinda ugly, but her smile nice
Nigga tried to walk my way, but I flipped the boat
You mad as hell with no weed, I got a zip to smoke
Non-hustlin'-ass niggas gotta hit the road
I'm just waitin' on bro'nem to get parole
