

Leaves Fallin'

YN Jay

Just bring me all the way back man I want you to delete everything (Ooh Sav killed it)

I'm just trying to go all the way back from the beginning

Alright

Yeah

Okay

Bitch said she like when I- alright

Yeah

She like when I say it like that

She want me to- alright

You want me to just talk like this?

Okay

Bitch want me to talk like this

Put her in Christian Dior, make her walk like this

I pulled up in a big [?] gotta park like this (Agh)

I'm a lion, I ain't got heart like this

I gotta breathe

Bitch want me to bless her, bitch you must be feeling sneeze

Bitch want to suck dick she do it better on her knees

Hundred thousand dollars, they can't fit inside my jeans

Nigga don't want-

Fuck

I just spilled my drink, got me thinking bout my lean

Bad bitch got a attitude, she a little mean

Stripper bitch hit the cocaine, no she was a fiend

Ooh, I ain't know she was a fiend

I ain't know that's Josephine

I ain't know that was your auntie, I'm just trying to make some cheese

Freak bitch suck dick so long she hurt her knees

Put a silencer on my (pew) that did sounded like some leaves

Damn, it's fall time nigga said he got down on one but it was all nine

But it was all fine

Pulled up with ten bad bitches and they all fine

And they all mine

Nigga tried to take me out the game [?]

Pussy nigga worked with the pigs get you all tied

Bitch told the truth to my face but it was all lies, it was all lies

Damn I should've listened to the fuck, it was all signs

Bitch I had to get it out the [?] so it was all grind

What I spent in the studio, it was all time

My young bull died at 17 it was dog time

Hit my bitch while we go shopping it was mall time

Broke with a silencer on the (pew) it was fall time

Bitch want you, but a bitch want me

But a bitch want you, but a bitch want me

Bitch want you, but a bitch want me

Bitch want you, but a bitch want me

But a bitch want me, big homie

I need me a big homie

I NEED ME A BIG HO-
