In the room full of bad bitches playing coochie games

Why do these niggas hate on me and all I show is love

Tell a bitch to give me a massage, I need my shoulders rubbed

Why did I spend ten thousand on a fucking rug?

How niggas doing all this scamming and ain't put fifty up?

I know a fein used to drink water out the rizzy cup

Why is the best chocolate candy Reese's cups?

I was on probation dropping dirty in the peepee cup

Nigga, it's 2025, put the CD up

Somebody keep calling my phone private, I think it's Keke butt
