YN Jay

(J this shit to crazy)

(J X L A N)

Mannnnn, J pick a beat
It's gettin' close to Halloween, I'm finna trick or treat
Aye, I won't beef, niggas chicken me
You the type of nigga try to slide and forget the heat
I just pulled up with a bad bitch she look like Richie Rhi
Bro just came green Mustang, with the [?] seats
I tried to grab the bitch coochie, it was slippery
I ain't like the way the movie end, it was bittersweet
I'll have my nigga door dash a delivery
I'll light a muhfucka up like a Christmas tree
I'll kill a muhfucka right now that's the enemy
I'll still trap hard as hell in the industry
I'll serve the same fein all day her name Hillary
I'll take a nigga out the game that's a injury
Somebody call X man, I got abilities
I'll take a nigga way back that's history
Aye, they still don't know who did it that's a mystery
How the hell you throwin' shots and you missin' me?
Drop 16 songs in one day that's consistency
I'm chargin' niggas for the power utility
Aye, I gotta stop drinkin' lean, I think it's killin' me
But it's prescribed from a doctor it's healin' me
I'm runnin' water over dishes like a kitchen sink
Freak bitch suck dick like she got missin' teeth
Hold on let me get right back I can't miss a beat
I'm servin' Clinton all day no Hillary
Stop tellin' people you my friend you my enemy
Stop tellin' people you my buzz you not kin to me
Mannnnn I need energy
I ain't leavin' but I swear they gon remember me
Aye, I done a girl house to a dispensary
Aye, I can sell it by the pound when it get to me
Or I can bust it both down and sell it 10 a G
Aye, I be up all night I forget to sleep
Aye, somebody throw a flag that's a penalty
When you trap all day you forget to eat
