Nasty

YN Jay

(Marc Boomin, this you?)

Ooh, girl, you nasty
Girl, girl, you nasty as fuck
Girl, like, alright
Like I love the way how you
Girl, you so nasty with it, keep going, like
Ooh, you
Damn, damn
Bitch, you nasty, yeah, alright
Bitch, you nasty, hah

Bitch, you nasty
I like how you suck my dick, you so nasty
Baby, how you do them tricks, you so nasty
Handstand, do the splits, you so nasty
How the fuck you get so thick? You so nasty
Got a piercing on your lip, you so nasty
Want some money, you a trick, you so nasty
Buttnaked takin' pics, you so nasty
I love how you take the dick, you so nasty
From the back gettin' hit, you so nasty
Aww, you so nasty, ahh
On your knees suckin' dick, you so nasty
Put some lotion on your knees, it's so ashy
I just beat her doonies down, she so happy
I just hit a white bitch, her name Ashley
Bitch love to talk back, she so sassy
I just hit a bad bitch, she so classy
I just cut my bitch off, she so chatty
How you thick with no, fuck, where your ass cheeks?
