

## Slow Motion

YN Jay

(Marc Boomin, this you?)  
Damn, I, high as fuck  
Damn

I just blew a whole ball, A1 got me stuck  
Put up fifty every week of the year, got me up  
Probably didn't have a condom if I'm stoppin' when I bust  
You a nasty-ass nigga, probably pop her in the butt  
Probably grab the chicken tenders if I'm stoppin' in the Buck  
Oh shit  
I was probably at my granny's when I'm stoppin' when I cuss  
I was probably on some lean if I was ridin' through the Buck  
Stoppin' at my granny crib, lookin' at my granny crib  
Like goddamn, this where we used to live  
Probably in my pop's Cadillac, that's where we used to chill  
Lost my granny back when I was young, I was just a kid (Damn)  
'Member back when I was young, I was just a kid  
We was really outside servin' nicks and dimes  
Now the young niggas scammin', who the fuck gon' drive?  
Why you riding with no gun? Who the fuck gon' slide?  
Auntie in the kitchen cookin', who the fuck want pie?  
Unc' got a Mossberg, who the fuck wan' die?  
Put a nigga six feet under, who the fuck wan' fly?  
Lookin' for my nigga Monty, who the fuck know Fi?  
I been deep up in that water, who the fuck wan' dive?  
I ain't never told the truth, who the fuck don't lie?  
When it's really time for action, who the fuck gon' hide?  
Nigga, you a bitch, you need to come outside  
I'm shootin' out the passenger like who the fuck gon' drive?  
You pulled up with some hamburgers, who the fuck want fries?  
Build a house from the bottom, who the fuck know Bob?  
Do you mean like, like Bob the Builder?  
You ain't never had no gun battle, had to drop a killer  
Have my nigga take your shit, but he not a stealer  
You ain't got no dog shit, you got kitty litter  
Oh shit, bitch suck too much dick, she got bow lips  
Punch a nigga in the face, he got swole lips  
Get to dumpin' out the window, they like, "Oh, shit"  
Get to dumpin' out the window in slow motion  
Hit a bitch from the back, I'ma slow stroke it, damn  
Hit her in that one position, got me so focused
