

## Summer Walker

YN Jay

(Marc Boomin, this you?)  
Won't you take a trip down to Coochie Land?  
I'ma spend a few coochie bands  
Spend a few bands on that coochie  
And I love the Coochie Man

What's up, Summer Walker?  
I ain't have no car when it was hot, I was a summer walker  
Bad bitch don't want the sixth man, she tryna fuck the starter  
Nigga couldn't meet me at the top 'cause I was workin' harder  
Ayy, but you still on your way?  
Girl, you supposed to been here, is you still on your way?  
If you see me at your birthday party, I don't want no cake  
Ayy, 'cause all I want is you  
It's just me and you, it ain't no backseats, I just want a coup  
e  
Bitch left 'cause I keep lyin', she just want the truth  
Pull up on you with the top dropped, I don't want the roof  
Pull up on you with the— damn  
Pull up on you in a drop-top with the top dropped  
I just dropped a hundred-some shots on an opp block  
Shot through the door, who's there? He said, "Knock, knock"  
Bad bitch coochie wet as fuck, but the top not  
Pulled up with a bad bitch, she was top-notch  
Bad bitch said, "Hoo-hee," I said, "Ha-ha"  
Bad bitch said, "Hoo-hee," I said, "Ha-ha"  
I can make the nigga disappear, I said, "Ta-da"  
Baby asked who I believe in, I said, "Allah"  
I just kicked a bitch out my crib, I play soccer  
And I'm skatin' on ice, I play hockey too  
Ain't nobody know what I did, but my ahki knew  
I just slid down and started shootin', it was sloppy too  
In the kitchen cookin' up with Joe, it was sloppy too  
Freak bitch give me good head, it was sloppy too  
You kick my brother out of school, you can drop me too  
If you got a problem with my brother, you can fight me too  
I just kicked a nigga in his face with some Nike boots  
Hoo, boy, you hype— damn  
Boy, you out cold  
Everything I did, I grind for, I was not chose  
Taco got a knot roll, it was Nacho's

Oh, you talkin' 'bout like, Taco had a lot of money on him, but  
it was really like, Nacho's?  
Like, oh, like when you cook it?  
Or like that was your two friends?
