

(Damn, Donny made this?)

(Thank you, GC)

Nah

One, two, three, four, five, get the eight please

One, two, three, four, five, get the— uh

One, two, three, four, five, get the eight please

I got all these rich bitches tryna date me

I was thinkin' 'bout twenty-two when I was eighteen

That was then, bitch, ah

That was then, this is now, no, I can't wait, no

I just bought eight lines of Wock', but I need eight more

Ain't no—

Ain't nobody see it, that's a case closed

I done shot him by the—

Soon as I pulled out by the whip, I just— yeah

I just pulled up, shot a hip-fire, that's a waist blow

Haha, oh shit, what the fuck?

Thick bitch got a lot of ass, where your waist go?

She gon' let me fuck on the first night, no, I can't date, no

I might fuck your bitch any day now

Damn, woah

Hundred thousand, damn

Hundred thousand dollars ain't shit, I had to get some more

Got a chance to make it to the top, can't forget my bro

Left Flint for the wintertime, damn

Left Flint for the wintertime, I forget the snow

I just hit five bad bitches, it was—

I just hit five bad bitches, it was in a row

Like they was all next to each other, like, you

Like, you hit 'em, like

What the fuck you drinkin'? That ain't no fuckin' lean

I could've been won the game, but I was waitin' on my team

Better get the fuck up, you still waitin' on your dream

Hatin'-ass nigga probably hatin' on your fiends

I just pulled up in an old-school, it was clean

Told a bitch, "Watch your mouth," she went and bought some Listerine

Martin Luther King, went to sleep, had a dream

I was in the NBA ballin' hard, won a ring

I don't want them cheap-ass cameras, I want the Ring

Bitch wanna sign to YN, can you sing?

Nigga pulled up in a slow car drivin' extra fast

All my cars got jet fuel, I need extra gas

Damn, I think this bitch got corona, I need an extra mask

I don't think I'm where I wanna be, I need an extra bag

Oh, you in your one bag? What you tryna get into?

What the fuck bag you in, bro?

Why the fuck you pull up with that tall-ass bitch? She like 6'4"

Bitch drinkin' Casamigo, where the Henn' go?

Bitch, you think I really want you? Where your friend go?

I'll smack somebody so hard, think my hand broke

Bitch wanna hear my lingo, this my lingo

Told a bitch cook breakfast for me, my Eggo

Beat her doonies down from the side, think my leg broke

Nigga said he got some good weed, it was rego

I done made a hundred-sixty plays on Palmetto

Bitch asked me can she hold on? I said, "Let go"

I was just tryna build the block like Lego  
Bitch mumbled, but I still heard it, what you said, ho?  
Told a bitch she chatty, she said, "No, you tomato"  
Hah, what the fuck do you mean with that?  
I just told a bitch back back, she took a step close

Chatty as fuck  
You're chatty  
You're chatty  
Bitch (Damn, Donny made this?)  
(Thank you, GC)  
Chatty, bitch  
You know what chatty mean?  
Chatty
