New bitch, yeah she bad as hell, she got long hair  
Pretty bitch, got a big booty, yeah I gotta stare  
Momma always told me I was different, I ain't got no fears  
I don't eat the cat, that's why I probably don't got a beard  
I can tell you 'bout my life story, you ain't gotta care  
Bitch keep calling me out my name, you ain't gotta swear  
Nigga tried to tell me bad advice, I had to close my ears  
Uncle Willie sleep on the lawn, he just got a chair  
Damn, Unc wake up  
I was sleep too long in my dream, I had to wake up  
All my time I spent doin' nothin', gotta make up  
I just left my bitch, aw man, that's a breakup  
Oh, you wanna see me pop off? Shake up  
All I want is some Ramen Noodles, put the Steak up  
Get to throwin' money in the club, they gotta rake up  
Seem like my best friend start hatin' since I came up  
Nigga thought that I was done, thought I gave up  
Nigga tellin' stories in his raps, it was made up  
Could've dunked it for the game winner, but I laid up  
Bitch called me cheatin', Damn, I played dumb  
Bitch tried to send me her location, but I ain't come  
Bitch gave me head but it was alright, no I ain't cum  
Why you hop your dumbass in the car if you can't come?  
Never seen me comin', I was dressed as a fake bum  
(Ssss) My shoes say Triple S  
I been gettin' money all night, I forget to stress  
Told bro I was up now, I forget I'm next

(Okay, yeah)  
I came through big body, nigga Triple X  
I'm so used to doin' shows, I forget to sweat  
My inbox full, I got a lot of shit to check  
They gon think you signed somethin' when you got emeralds on your neck  
Was movin' wild, I settled down, the streets bring stress  
Okay, they love the Coochie Scouts, the hoes showin' off they breast  
Okay, I'm tryna get a check, see I ain't got time to rest  
I came Triple S big B's  
I ain't tryna keep up, I'm doin' my speed  
I done run 100 up, times 3  
She put the pussy in my face, tryna blind me  
Told Jay "They wouldn't have did it if they was in our position"  
We can be bigger than niggas, I know when I'm cocky with it  
I can take my chain off right now and play Hockey with it  
Asked the labels how'd they feel about this shit, they say the rockin' with it

(Alright)
