I don't eat the cat, that's why I probably don't got a beard  
I can tell you 'bout my life story, you ain't gotta care  
Bitch keep callin' me out my name, you ain't gotta swear  
Nigga tried to tell me bad advice, I had to close my ears  
Uncle Willie sleep on the lawn, he just got a chair  
Damn, unc', wake up

All that time I spent doin' nothin', gotta make up

Oh, you wanna see me pop off? Shake up  
All I want is some ramen noodles, put the steak up  
Get to throwin' money in the club, they gotta rake up  
Seem like my best friends started hatin' since I came up  
Nigga thought that I was done, thought I gave up  
Nigga tellin' stories in his raps, it was made-up  
Could've dunked it for the game winner, but I laid up  
Bitch caught me cheatin', damn, I played dumb  
Bitch tried to send me her location, but I ain't come  
Bitch gave me head, but it was alright, no, I ain't cum  
Why you hop your dumb ass in the car if you can't come?  
Never seen me comin', I was dressed as a fake bum

I just got my braids done, baby, don't pull my hair  
Verdy sent these new SBs, I want every pair  
See that boy in public, told his ass he can't hug me  
Whole gang flyer than a bee, my whole team buggin'
