

## Wolves At The Door

Yngwie Malmsteen

Evil within, fight fire  
Defending our land, defeat devil  
No...

Can't you see? To be free  
Not to burn, don't tread on me

Wolves at the door, fields on fire  
Never before, stakes higher  
No

Can't you see? To be free  
Not to burn, don't tread on me

No

Can't you see? To be free  
Not to burn, just no  
Can't you see? To be free  
Not to burn, don't tread on me
