All the things that I done seen
And all the things that I done been through
Young niggas we the truth
Aye slime what it do
We was broke trynna make it out the 772
We ain't had shit to lose
We stayed down and paid our dues
We were trynna stack these m's
Get this money make the news
Fuck around and caught a m
Ended up making the news
Kouple niggas switched up
But that's what fuck niggas do
I gotcho back through anything
Ride for me I ride for you

When we slide we come in 2s
You keep 3 thots I keep 2
Add that up that equal 5
That's how u know we do what we do
Bump in us we from the g
