

Block Is Hot

YNW Bortlen

(Skip got the bounce, it go crazy)

My niggas droppin' shit down like they know I'ma jet
That money we gon' interact
Big body bitch, you know you can't get into that
Had me a Perky, I'm tryna calm my nerve
And my niggas be geekin', you can call him a nerd

AR with a shell-caps, hundred round attached
But this bitch tryna fuck on me and my sack
These niggas gettin' a bit slimier
I'm too slime, I'm slimey yeah
Ion know what going on, these niggas out here breakin', breakin'
' in
Midnight, I'm gettin' lit
Sorry for you old niggas hating, young niggas winning
And I'm all overseas
Coppin' double tees
Gucci down to the feet
And free Melly and Melvin 'til that nigga let free
All about my funds
Young nigga tryna have some fuckin' fun
Gotta keep thumbin'
All these big W's
I'm runnin' circle running niggas
Damn I'm getting dizzy
Can I get some love in this world full of envy

My niggas droppin' shit down like they know I'ma jet
That money we gon' interact
Big body bitch, you know you can't get into that
Had me a Perky, I'm tryna calm my nerve
And my niggas be geekin' you can call him a nerd

My niggas droppin' shit down like they know I'ma jet
That money we gon' interact
Big body bitch, you know you can't get into that
Had me a Perky, I'm tryna calm my nerve
And my niggas be geekin' you can call him a nerd
