Yea yea
Ok ok yea

I had to go be a man huh
I had to pull my pants up
Had to get to these bands woah
One thing that I can't understand huh
How you gone lock my mans up and have no evidence hoe
No oh
I swear that you nigga got me blown
Bort told me keep calm before I go for throats
Bort told me keep calm before I let it go yea yea

Oh wait Gimmie a second
I'm on nexus tryna find the exit
I'm on nexus on another planet
Why you texting baby moving reckless
And I put diamonds on my necklace
I know they hate the way I'm flexing huh
Perfect timing perfect sliming how we stepping huh
Never worried bout my safety round them felons huh
Always keep they gun off safety crack ya melon huh
I can't tell you what they saying you'll tell the next man huh
I swear that I've been so gone I'm tryna check in
Yea my mind has been to gone I'm tryna check in

I had to go be a man huh
I had to pull my pants up
Had to get to these bands woah
One thing that I can't understand huh
How you gone lock my mans up and have no evidence hoe
No oh
I swear that you nigga got blown
Bort told me keep calm before I go for throats
Bort told me keep calm before I let it go yea

This is testimony
All these nigga testifying
If he play baloney bro gone leave the bullets flying huh
Staying strong for whoodie but sometimes I feel like crying huh
I can't even od but sometimes I feel like dying
Wait that was past tense last bar I was capin
Wait to bro jump out that cell we reakin havoc
Court room to cold for a nigga need a jacket
Court room to cold for a nigga to be laughing

Lord, I had to go be a man huh
I had to pull my pants up
Had to get to these bands woah
One thing that I can't understand huh
How you gone lock my mans up and have no evidence hoe
No oh
I swear that you nigga got blown
Bort told me keep calm before I go for throats
Bort told me keep calm before I let it go yea
